

# IRA Data Assimilation Consortium Funding Opportunity

[NOAA-OAR-WPO-2024-2007893](#)

## DA Consortium Funding Opportunity (IRA funding)

- University community team to:
  - Train students/postdocs
  - Include 20% for MSI support
  - Collaborate with NOAA Labs/EMC/EPIC, JCSDA, UK-Transatlantic Data Academy
- \$15M for data assimilation over 3 years
  - **\$7M for DA Consortium**
  - \$8M for NOAA staff

## Goals

- Support training of DA experts
- Advance DA science and innovation
- Build a diverse network of DA experts
- Support a University team to work with NOAA

Aligns with Science Advisory Board's  
[Priorities for Weather Research](#) recommendations
